We've benefitted hugely from working with Club Insure, thanks to their professional, accurate and helpful advice.

Their expert staff clearly understood our requirements, and we ended up saving a huge amount on our premium.

If someone asked me if they should switch to Club Insure, it'd say go for it - you won't regret it at all. I already know of two other clubs who are now working with Club Insure and it's easy to see why.

“

After a long relationship with Club Insure, i took over the relationship and I very quickly saw why we have worked together so long.

The team clearly understand everything about the intricacies of running a rugby club and made sure we got exactly the right cover for our unique needs.

The whole process was as smooth and hassle free as an insurance renewal can be - and I've been through a few!

Club Insure are without fail extremely helpful and information throughout the entire process.

They took the time to inventory our entire premises so our cover was tailored uniquely to our club, leaving us confident that there's no room for misrepresentation or gaps in cover.

They quickly tailored a bespoke package for us, making sure we had a policy that covered everything we needed, whilst being cost effective at the same time.

I wouldn't hesitate to recommend Club Insure for any rugby club considering their insurance cover.
