

COMPLETE SUPPORT FOR CLUBS

Club Insure is the UK's leading sports, social, political & working men's club insurance broker.

This matters, because it means we understand clubs of all shapes and sizes, and the unique needs you face. So whatever comes your way, we have the right solution for you.

It's also why we've worked to develop a host of complementary services that help your club thrive. Not only do you get market leading insurance cover at the most competitive premiums, you also get access to subsidised HR, Health & Safety, Risk Management & wellbeing services. All designed around the clubs we work with, helping your club and the people in it thrive.

All this, paired with our service promise and our hand-picked, award-winning team who really care about your club, means we guarantee to offer your club the very best, truly independent service, for as long as you work alongside us.

Think of Club Insure not as your insurance broker, but as a trusted partner. An extension to your club, always keeping it's best interests at heart whatever you might face.

We place a lot of value on excellent customer service and this is one of the main reasons why we continue to use Club Insure, because I'm confident that any query will be expertly answered - this is incredibly reassuring and makes the annual process of reviewing and renewing the policy smooth and hassle free.
