THE UK'S MOST DECORATED BROKER

We're proud to have been recognised time and again by the most prestigious awards ceremonies in our industry.

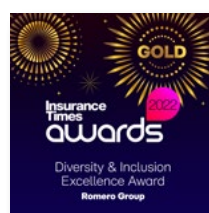

With repeated awards for our claims service, claims achievements, our commitment to claims excellence is clear.

And having won Claims Champion of the Year in multiple years, our dedication to getting the best results for our clients has been consistently recognised.

But these awards aren't just meaningless trophies gathering dust on a shelf for us. They're the proof that our dedication to exceptional service & investment in people works. And the motivation to continually improve and deliver for golf clubs like yours.

Judges have continued to praise how our team go above and beyond for our clients, pulling out all the stops to get the best solution. Whether that's settling complex claims, securing competitive terms or simply delivering exceptional day to day service.

It's this investment in our people that has ensured you can access the industry's best service for today and tomorrow.

WHILE OTHER INSURANCE BROKERS MAKE BOLD CLAIMS, **WE'RE BUSY SORTING THEM OUT.**

Since our establishment in 1997, we have made our claims and risk management services key priorities for our business, to ensure we deliver industry leading service for our customers.

By recruiting top quality staff from insurers and loss adjusters and providing them with a challenging and rewarding environment, we're able to offer you the very best service. Making sure that when something goes wrong, you've got the best team on your side, fighting your corner.

We add value to every claim. However big. However small. We will never behave like a 'post-box', simply passing your claim on to the insurer and leaving you to deal direct with no support.

We don't get complacent. We don't let our standards drop. We pride ourselves on being the very best for you and won't settle for anything less.
